**RESPONSE TRANSMITTAL**

Sir:

Transmitted herewith in response to the Office Notice dated July 31, 2006, setting forth a one-month period for response, rendering this submission timely, are:

1. A response transmittal including comments (this document) (2 pages).
2. A complete updated and re-executed copy of our earlier timely submission of 7/17/2006, now including revised drawing sheets (Figs. 1, 2, and 3) marked with the phrase "Annotated Sheet" and updated as noted in the comments herein (9 pages).
3. Return Receipt Postcard.

COMMENTS

Further to the Notice dated July 31, 2006, applicants herein replace the timely submission of July 17, 2006 with drawings marked with the phrase "Annotated Sheet" and an update on page 3 "Amendments to the Drawings" section of our drawing labels. A complete re-executed copy of our earlier timely submission is enclosed herein. No other changes have been made to the submission.

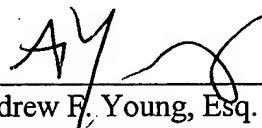

We note that the USPTO has required the use of the phrase "annotated sheet" instead of the descriptive phrase employed. While Applicant believes the understanding will be clear to the Examiner, we have complied with all formalities in this matter and have applied the requested labels to the drawings. We believe this should clarify any concern upon review.

The total fee for this amendment, including claim changes and any extension of time is calculated to be \$0.00 as this submittal is filed prior to the thirty-day deadline. Consequently, the Commissioner is hereby authorized to charge the amount of \$0.00, and any additional fees under 37 C.F.R. §§1.16 and 1.17, which may be required with this communication or during the entire pendency of the application, or credit any overpayment to **Deposit Account No. 10-0100**.

Respectfully Submitted
